

Post Office Box 521, Lancaster New York 14086

---

The Lancaster Police Department previously made us aware of a potential situation involving an employee and board member of the League, Jeremy Casey. Upon being informed of the situation, the League immediately suspended Mr. Casey and removed his access to the League's facilities and resources. We fully cooperated with the police during their investigation, including their request that the League not make any statements or send any notifications while their investigation was ongoing. On January 24, 2019, we were informed that formal criminal charges were filed against Mr. Casey. Given these charges, Mr. Casey has now been officially removed from all positions associated with the Lancaster-Depew Baseball League and is no longer associated in any way with the League or its activities. The League is dedicated to ensuring the safety of our League participants and maintaining the integrity of the League, and took these appropriate and necessary steps to that end. If you have any questions regarding League activities or business, please direct your inquiries to Lancaster-Depew Baseball at [lancasterdepewbaseball@yahoo.com](mailto:lancasterdepewbaseball@yahoo.com). If you have any questions or concerns specifically with regards to the matter relating to Jeremy Casey, please contact the Lancaster Police Department directly.
